

## SPIRITUAL GUIDANCE - GALLERY

### Instructions

In order for you to get the most out of this session and allow yourself to receive, I recommend following the below instructions.

- Please make sure all attendees are in a quiet, uninterrupted location for the duration of the gallery.
- All attendees will need access to a strong internet or cell phone connection.
- It is important that all attendees be visible on camera, either on their own device or in a room together.
- Please refrain from having people present who are not part of the gallery as the additional energy will interfere with the reading.
- Please refrain from moving or walking around with your device during the session as this is distracting.
- Please make sure attendees with separate devices have the most recent version of Zoom downloaded and log into our session at least 5 minutes prior to our start time.

It is imperative that all Gallery attendees read the Spiritual Guidance consent form. Those who attend the session affirm that they have read and agree to everything contained in these instructions and on the consent form.

Thank you and I look forward to connecting with you.  
Many blessings,  
Crystalene
