

SPIRITUAL GUIDANCE

Instructions

In order for you to get the most out of this session and allow yourself to receive, I recommend following the below instructions.

- Please make sure you are in a quiet, uninterrupted location for the duration of our session.
- You will need access to a strong internet or cell phone connection.
- It is important that your camera remain on and still, and that your audio is on during our session. Please refrain from moving or walking around as this is distracting.
- Please make sure you have the most recent version of Zoom downloaded and be sure to log into our session at least 5 minutes prior to our start time.

It is imperative that you read the Spiritual Guidance consent form prior to our session. By completing your purchase and attending your session, you affirm that you have read and agree to all terms outlined in the consent form.

Thank you and I look forward to connecting with you.

Many blessings,
Crystalene
